If competing for any privately sponsored Pony awards, mark an X above to enter this equine and complete the following:

Equine Height: _____ hh. - Perm. Pony Card # or Measured by: _____ Date: _____

___ **High Point English Horse**

___ **High Point Western Horse**

___ **High Point Halter Horse**

By filling in the form above and signing it below, I hereby declare that I am entering this equine as a contestant in the CEA's annual members only end-of-year points race. I understand that, for equines with multiple registrations, I must pick one at the beginning of the show year and may not change my mind later during the same show year. I understand that, as far as the CEA is concerned, application for registration submitted to a breed organization (i.e. AQHA, APHA, etc...) does not qualify this equine as being fully registered with that organization and said equine may not compete for a specific breed award until registration papers have arrived and can be provided to the CEA for verification. I also understand that if I receive breed registration papers later in the show year, I may submit this form to declare entry for this equine in said breed award, but that points will not be backdated. Unless entering the "Other Breed" category, I have provided a copy of this equine's registration papers along with this declaration. If competing for privately sponsored pony awards and this equine has a permanent pony card, I have provided a copy of the card with this declaration. I also understand the CEA reserves the right to add additional privately sponsored awards that I may not be aware of during the show year IF sponsors have come forward wishing to fund such awards.
